A CBC, CMP, lipid panel, height, weight and blood pressure measurement are included at all State-sponsored health screenings.

If you need to add the following tests to your screening, you must bring doctor's orders or a prescription to your screening.

- HbA1c
- PSA
- TSH

NO other additional tests can be added at the off-site screenings. **At the Montana Health Centers ONLY** - additional lab tests can be added if you bring a prescription with you to your screening.

Please:

- Don't eat or drink any food or beverages other than water, plain tea, or black coffee for 12 hours prior to your screening.
- Drink plenty of water in the 24 hours prior to your screening.
- Take prescription medications as directed by your doctor.
- Wear clothing with loose fitting sleeves to the screening.
- If you have diabetes or are pregnant, schedule your appointment earlier in the morning.
- If you cannot attend your scheduled appointment for any reason, please be courteous and cancel your appointment as soon as you know you won't be able to make it. Please do not schedule multiple appointments.

To schedule a State-sponsored **Health**

Screening go to www.carehere.com (see directions, front cover); call (855) 200-6822; or e-mail help.montana@carehere.com.
